

♥ Lunches of Love

BY SHAKEIT BOBA

FOR OUR NEIGHBORS, SCHOOLS & CHURCHES

Help local kids have food for the weekend.

We are bringing schools, nearby churches and ShakeiT Boba together to prepare take-home food bags for local children.

Mission Firefly would like to pass the torch to ShakeiT Boba to carry Lunches of Love forward.

IT STARTS WITH A SCHOOL AND A CHURCH

School staff tell us what students need and name a contact.

We invite a nearby church to prepare the food, with ShakeiT Boba buying missing items.

We are arranging our first partnerships. Items and the first delivery will be agreed before starting.

Introduce us to a school or church.

FOR SCHOOL COUNSELORS, SOCIAL WORKERS & PRINCIPALS

Schools: could we help your students?

We are arranging take-home food bags for when school is out. First, we need a school staff member who can stay in contact with our team.

Mission Firefly would like to pass the torch to ShakeiT Boba to carry Lunches of Love forward.

WHAT WE'D LIKE TO LEARN

- What food support is already available?
- Where would extra help make a difference?
- Who can be our ongoing school contact?

Share school work contacts and overall needs. Student names and family details stay with the school.

Please introduce your school contact.
